# The European Project TWINN2SET

## NEWSLETTER #03 – January 2025

The 3rd meeting of the project “Twinning to Sustainable Energy Transition (TWINN2SET)” will take place in Athens, on January 2025.

### **AGENDA - Wednesday 22/1/2025**

**11.30 – 18.30** *Workshop on H2, CCS & Geothermal value chains*, Venue 'Banquet Royal Olympic Hotel', Athens

- **11.30 – 12.00** Welcome coffee & registration

### **Keynote Speech**

**12.00 – 12.30** Strategic steps for the green transition of Motor Oil, a multi-energy group: the vision for 2030 – (speaker tbd, MOTOROIL)

**Session I – H2 value chain (Moderator: Dr. Emmanuel Stamatakis, FORTH/IG)**

- 12.30 – 13.00** Green hydrogen projects (EPHYRA & TRIERES) – the way to decarbonise industry and transport sector (speaker tbd, MOTOROIL)
- 13.00 – 13.30** Environmental Benefits and Challenges of the Hydrogen Economy - Developments in Greece and Europe (Eleni Papista, CLUBE)
- 13.30 – 14.00** The CRAVE-H2 hydrogen valley (Kyriakos Panopoulos, CERTH)
- 14.00 – 14.30** Building a better future with renewable hydrogen (Dimitris Triantafyllopoulos, CEO HELLENIC HYDROGEN)
- 14.30 – 15.00** The Hydrogen Europe view (Ioannis Moraitis, Strategy Director @ HYDROGEN EUROPE)
- 15.00 – 15.30** Salt Cavern Integrity for Hydrogen Storage (Raouf Gholami, Prof. University of Stavanger)
- **15.30 – 16.00** Break

**Session II – CCS and Geothermal value chain (Moderator: Dr. Spyros Bellas, FORTH/IG)**

- 16.00 – 16.30** Deep Decarbonization in Refineries: The IRIS Project Approach (speaker tbd, MOTOROIL)
- 16.30 – 17.00** Geothermal energy and legislation framework in Greece (G. Tsifoutidis, Ministry of Energy and Environment, Geothermal Department)
- 17.00 – 17.30** Renewables under the Geothermal approach of PPCR (E. Spyridonos, Public Power Corporation – Renewables)
- 17.30 – 18.00** Geothermal .... (Matilde Adelinet, IFPEN)
- **18.00 – 18.30** Closure & sum-up
  - **19.00** Invited Dinner (place tbd)
